1967 Lee Fire Department 1967

The Fire Department answered twenty-eight calls in 1967. Seven were structural, one chimney fire, seven forestry calls, six unauthorized dump fires, three auto and accident fires, three miscellaneous fires, and one Mutual Aid fire call.

Total loss by fire was estimated at \$16,000 for buildings and less than one acre of grass and woodland.

Durham Fire Department and Newmarket Fire Dept. assisted on three calls.

One fire truck and its crew attended the races at the Lee Raceway where the men got practical training on car fires and gasoline spills.

Fire Phone: 659-3900. This number is for emergency use only.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.

Set a good example for others in fire prevention.

REPORT OF THE LEE POLICE DEPARTMENT

The report of the Lee Police Department activities from December 31, 1966 to December 31, 1967.

Man hour spent on call for complaints, accidents, court, assist to other departments and patrol time, was 2285 hours.

Number of miles traveled by the department to answer all activities of the department was 11329 in the town cruiser and 936 miles in personal cars.

Complaints answered	45
Accidents covered	47
Court sessions	31
Fatals	1
Assist to other Dept.	26

In the past year I feel that we have been able to do a better job of policing by having the Town cruiser. Every man on patrol has had equal communication and equipment.

As a department we hope to serve the town more fully and better in the coming year.

ANNUAL REPORT OF THE OYSTER RIVER HOME HEALTH ASSOCIATION

The Oyster River Home Health Association, a visiting nurse agency, which serves the towns of Durham, Lee and Madbury, was given initial support through funds voted at the 1967 Town meetings of the three communities. These modest sums in the amounts of \$200 from Durham, and \$100 each from Lee and Madbury, made possible the payment of expenditures necessary to setting up an office and securing a qualified registered nurse.

FACTS OF THE VISITING NURSE PROGRAM

The visiting nurse does not replace the doctor; she works with him and under his directions. She gives home nursing care to people of all ages, the new mother and baby, the convalescent returning from the hospital, sick children and the Medicare patient. Payment of the visiting nurse is included in Medicare benefits.

The Association was incorporated on February 27, 1967, as a non-profit organization, under the Laws of the State of New Hampshire.

The Board of Directors of the Association is made up of equal representation from the three towns. Included in the Standing Committees are physicians, registered nurses, a registered physical therapist, a registered dietician, an attorney and lay persons.

A grant from the Department of Health and Welfare was received but did not completely satisfy the requirements of the budget, the remainder having been raised through membership fees and contributions from organizations and individuals.

Continued support from the towns, through increased funds to be voted at the 1968 Town meetings is anticipated.

On June 23, 1967, Miss Loretta Stutz, R.N. was employed as the administrative nurse. Mrs. Mary Louise McGill was engaged as the Physical Therapist.

On August 1, 1967, the Association began service to the three towns of Durham, Lee and Madbury, later including the town of Newmarket on a temporary basis, with the town of Newmarket assuming all expenses of the service. In the early spring of 1968, at the annual meeting of the Oyster River Home Health Association, by-laws will be adjusted to allow the Town of Newmarket to join the Association as a participating member, with equal representation on the Board of Directors and with that town contributing its share toward the support of the agency.
